K 3rd 6th 9th 12th

1st 4th 7th 10th

This form and any applicable attachments should be posted publicly on the website of the local educational agency (or equivalent) prior to reopening or if an LEA or equivalent has already opened for in-person instruction. This form is one part of the COVID19 School Safety Plan (CSP). See the Guidance on Schools for additional information on the CSP. For those in the Purple Tier and not yet open but making plans to re-open soon, LEAs must submit their CSP to their local health officer (LHO) and the State Safe Schools for All Team concurrently with posting the CSP to the LEA's website homepage, per the [Guidance on Schools](#), at least 5 days prior to re-opening.

The email address for submission to the State School Safety for All Team for LEAs in Purple Tier is:

K12csp@cdph.ca.gov

LEAs or equivalent in counties with a case rate $\geq 25/100,000$ individuals can submit materials at least 5 days prior to re-opening but cannot re-open a school until the county is below 25 cases per 100,000 (adjusted rate).

For Local Educational Agencies (LEAs or equivalent) in ALL TIERS:

I, Joan Holder, post to the website of the local educational agency (or equivalent) the COVID Safety Plan, which consists of two elements: the **COVID-19 Prevention Program (CPP)**, pursuant to Cal OSHA requirements, and this **CDPH COVID-19 Guidance Checklist** and accompanying documents,

which satisfies requirements for the safe reopening of schools per CDPH [Guidance on Schools](#). For those seeking to open while in the Purple Tier, these plans have also been concurrently submitted to the local health officer (LHO) and the State School Safety Team.

I confirm that reopening plan(s) address the following, consistent with guidance from the California Department of Public Health and the local health department:

▣ Stable group structures (where applicable): How students and staff will be kept in stable groups with fixed membership that stay together for all activities (e.g., instruction, lunch, recess) and minimize/avoid contact with other groups or individuals who are not part of the stable group.

Please provide specific information regarding:

How many students and staff will be in each planned stable, group structure? (If planning more than one type of group, what is the minimum and maximum number of students and staff in the groups?)

Stable groups are not required in LA county at this time. As our school is small (38 students) with many siblings, we do not feel a stable group structure is needed at this time. We will consider implementing them if needed due to a Covid-19 outbreak at the school or community at large by using existing classroom groupings which range from 7 - 10 at this point.

If you have departmentalized classes, how will you organize staff and students in stable groups?

N/A

If you have electives, how will you prevent or minimize in-person contact for members of different stable groups?

Text

▣ Entrance, Egress, and Movement Within the School: How movement of students, staff, and parents will be managed to avoid close contact and/or mixing of cohorts.

▣ Face Coverings and Other Essential Protective Gear: How [CDPH's face covering requirements](#) will be satisfied and enforced for staff and students.

▣ Health Screenings for Students and Staff: How students and staff will be screened for symptoms of COVID-19 and how ill students or staff will be separated from others and sent home immediately.

▣ Healthy Hygiene Practices: The availability of handwashing stations and hand sanitizer, and how their safe and appropriate use will be promoted and incorporated into routines for staff and students.

☐ Identification and Tracing of Contacts: Actions that staff will take when there is a confirmed case. Confirm that the school(s) have designated staff persons to support contact tracing, such as creation and submission of lists of exposed students and staff to the local health department and notification of exposed persons. Each school must designate a person for the local health department to contact about COVID-19.

☐ Physical Distancing: How space and routines will be arranged to allow for physical distancing of students and staff.

Please provide the planned maximum and minimum distance between students in classrooms.

Maximum 6 feet

Physical distancing is not required at this time.
We will endeavor to have 3 foot distance between students when possible.

Minimum 1 feet.

☑ Staff Training and Family Education: How staff will be trained and families will be educated on the application and enforcement of the plan.

☑ Testing of Staff: How school officials will ensure that students and staff who have symptoms of COVID-19 or have been exposed to someone with COVID-19 will be rapidly tested and what instructions they will be given while waiting for test results. Below, please describe any planned periodic asymptomatic staff testing cadence.

Staff asymptomatic testing cadence. Please note if testing cadence will differ by tier:
none at this time

☑ Testing of Students: How school officials will ensure that students who have symptoms of COVID-19 or have been exposed to someone with COVID-19 will be rapidly tested and what instructions they will be given while waiting for test results. Below, please describe any planned periodic asymptomatic student testing cadence.

Planned student testing cadence. Please note if testing cadence will differ by tier:
none at this time

Identification and Reporting of Cases: At all times, reporting of confirmed positive and suspected cases in students, staff and employees will be consistent with [Reporting Requirements](#).

Communication Plans: How the superintendent will communicate with students, staff, and parents about cases and exposures at the school, consistent with privacy requirements such as FERPA and HIPAA.

Consultation: (For schools not previously open) Please confirm consultation with the following groups

Labor Organization

Name of Organization(s) and Date(s) Consulted:

Name: N/A

Date: _____

Parent and Community Organizations

Name of Organization(s) and Date(s) Consulted:

Name: School Board (comprised of parent

Date: July 8, 2021

If no labor organization represents staff at the school, please describe the process for consultation with school staff:

We had an all staff meeting July 7, 2021 and discussed the Covid-19 plan then.

For Local Educational Agencies (LEAs or equivalent) in **PURPLE**:

Date of Submission to Local Health Department: July 27, 2021.

Note: LEAs intending to re-open K-12 schools while in the Purple Tier are to submit the CSP to the LHD and the State Safe Schools for All Team concurrently.

Note: This checklist was published on January 14, 2021. It was amended on January 29th to delete language regarding the need to submit this checklist to a County Office of Education. The CSP does not need to be submitted to the County Office of Education as part of the public health guidance, though the County Office of Education may request the CSP as part of other processes. It was amended again on April 2, 2021 to reflect revised CDPH K-12 guidance from March 20, 2021 regarding changes to physical distancing guidance and school re-opening criteria.
